NOTES

Excluded: 0 bot or link preview hits, 0 of our own test clicks. Prefetches and HEAD checks are never logged.

Unique = one click per visitor per 30 minutes (salted hash of IP and browser; we never store IP addresses).

Cost per click = \$99 placement price / unique clicks. Days are US Eastern time.

A click is one visit to our /go link for your deal. We do not see what happens on your site after that.

Sample report with illustrative numbers, not real results.
